Server co-location is available for as short as 1 month, or lock in space and pricing for as long as 2 years in advance.

The following options are also available with co-location plans:

- * Visits during business hours at \$69 per hour.
- * Visits outside business hours at \$149 per hour.
- * Additional switchports are available for a \$250 setup fee.
- * Additional IPs are available from as low as \$1.50 per IP per month. We require justification for extra IP addresses.
- * Remote reboot facilities are available at \$29.00 per month per powerpoint.
- * SSL Certificates are available from \$140 per year.

All prices are in Australian dollars and exclude 10% GST

Data Transfer

If your site's a busy one, then additional traffic may be required. We make it easy to accomodate traffic growth by offering blocks of data transfer ranging from 1GB per month up to 50GB per month.
