

Webbased Live Meetings

Webbased Live Meetings The fastest way to meet online ... Start a meeting in minutes! With no software to install, Vitil IT forever democratizes webbased live meetings. In seconds - right from your browser - you can easily host or attend web conferences complete with audio and video, chat, screen and web page sharing. Vitil IT's web conferencing service where you can share your desktop, show slides, collaborate, chat, talk and broadcast via webcam with absolutely no download required to host or attend meetings. Easy. Open. Affordable.

We tried all those other web conferencing solutions and found them exceedingly expensive, difficult to implement and impossible to customize. So we created our own as the easy and affordable web conferencing solution. Call now on 1300 552 166 or click here and fill in our enquiries form.

Webbased Live Meeting Highlights

It just works.

No software to download or maintain, and it takes only a few clicks to join or host your very own meetings. You'll be meeting in seconds.

See & Hear Here.

Built-in VoIP capability is a godsend to customers with limited access to quality phone service, providing free calling to and from any computer with a microphone and an Internet connection. And we added a free teleconference service to boot. Our powerful video broadcasting, screen sharing and web page browsing features scale elegantly with your bandwidth - thanks to SyncroLive™ - all automatically. Try it for free. Please call 1300 552 166! fill in our enquiries form.
