Call now on 1300 552 166 or [click here](#) and fill in our enquiries form.

Stay Mobile

Sync with BlackBerry or Good Mobile Messaging to send and receive email instantly on the train, from a hotel, or at your offsite meeting. All of your contacts, appointments, and even files are stored in your Exchange public folders. Forgot your laptop on a business trip? Grab your presentation file from your shared folder in a flash.

Call now on 1300 552 166 or [click here](#) and fill in our enquiries form.

Stay Productive

Share files, contacts, and calendars with colleagues so you can get more done quickly. Your business relies on you to stay connected, even when you are not at your desk. Exchange gives you the ability to remain productive with Microsoft Outlook Web Access and public folder space.

Call now on 1300 552 166 or [click here](#) and fill in our enquiries form.

Stay Stress-Free

Protect your email and important files from viruses and mishaps with anti-virus protection and daily backups. With Exchange hosting, you have the convenience of accessing your crucial work files anywhere, so you can take control of your work life and not feel chained to your desk.
